My dear Sir:-

Your letter was
rec'd., and in reply would
say that I have made some
inquiry about Mares bred
to Royal Russell and find
but few that is in foal.
I do not know the exact
number, but will send
you the names if you desire
or if you can arrange it, to
come up or send some one I
will take you around, to see
them, or I will find out
definitely how many are in foal
