Mr. E. B. Emery.

Centerville, Md.

My Dear Sir

Since writing
you my last letter I have been
in Baltimore & this city. I did
not have time to wait & see if
you answered my letter or not.

I was in a crowd of fellows
who wrecked a Light Lunch
Cafe which made it necessary
for me to get out of town. To night
I am going to return to Philly
as the trouble has blown over
somewhat.
