

York Pa 4/29 (Fri)

I got word today that my way
by Tom foaled yesterday morning
a fine large ^{colored} filly, by Russell
I am very much pleased to get
a finey and hope for beautiful
with fetus one. I think I was
hardly but her back was but
sent something else. I have a nice
4 yr old by him out of her
was quite speedy last year
which broke. Let me know
what you think about breeding
the filly more to him. These
ship safe perhaps next week
Very truly
