with no track work as

man and careful - about

Do you think it would be
worth while to breed my
old mare by using an Bth
stuck back to Russey
She missed the year &
lost her dam - Do you

object to a mare with
a mule colt on you filly
or breeding to such a
man - I would like very

much to get a colt from
her by Russey

The old fancy mare is
due to Salasani June 18th
