Pennsylvania and bought a young 3 year old stallion named Tyrone registered paying $1000 — cash he has a good pedigree as you will find and all the people here are glad we have this something good. So there are about 10 or 15 good mares here breeding to him — The dam of this man I send you is being bred to him and I shall try the little man I had to your place, but don't expect her to get with foal. So next Spring there will possibly be may be about 10 Tyrone colts here, and I hope there will be one Hoffy Russell for me to lay all the Tyrone colts aside. Look out for the man Wednesday from Balto — take for a Canary Bird and tell old Hoffy Russell to Go to Heck. I will pay freight to Centreville
