My Dear Sir:-

On depositing your check for $2 with our bank here, I was surprised to have it returned unpaid. I had already settled with The Trotter & Pacer for it. Be good enough to send money or express order to cover the amount. I am not advised that there are any protest or collection charges, but if so, will report the same to you. Meantime I will take up your valued letter and make an item as to Happy Russell. I duly entered your order for one year from issue of 26th ult. and trust you receive the paper regularly.

Yours faithfully,

E. B. Wacker.

Veritas.
