Dear Sir:

If you now think any peace is Papers in foal I should like to bring her home
Please let me hear from you on the Subject
I thought possibly you would bring us
some Board next week over it would be a good
time to bring up the Mare - If you or any of
Your men will not likely come up for some time,
I would prefer to go or send down for her rather than
trust her to the boat hands as she is apt to
fret Ever worry.
Or will against me - Stating times of Service
Please make out
& write
Yours truly
Saml N. Hoen
