Mr E. B. Emory
My dear Sir

The two mares
will go by the boat on
Tuesday next 25th for
Indian Landings. I trust
you will see that they are
properly cared for & have their
shoes removed at once
the mare will drop her
colt in about two weeks
perhaps earlier.

Will you please see that my
hostler returns by the same
boat the next morning as
I cannot well spare him

Yours truly,
Alex. Dolfeld

The mare should be put in roving
stall at once & not allowed to run
as she is too heavy with foal
