My Dear Sir
I received your letter and
had the man shed before
I got your letter. I will return
her on Tuesday. I am much
obliged to you for your kind
attention to the man and
for your advice. I find that
the man is in season
this morning the man
has been lame all winter
and is now lame and I
would ask you to put
a Blipson on her shoulders
on both sides from top
to bottom also on her hind
ankles and around her front
feet
