My Dear Mrs. Emory:-

I arrived home this morning after a very pleasant ten days vacation in the mountains of West Virginia with Mrs. Brazer. I enjoyed every moment of the time and feel greatly benefited by the rest. I left mother and Beatie there and I hope they will remain for ten days or two weeks longer.

I found both of your letters on my desk this morning and in reference to the one about Green will attend to him, and when I see you will let you know what I have done.

I never for one moment thought that you did not appreciate what I had done for you simply because you did not

not agree with me in reference to renting the place. I know frequently I may think that things should be done when possibly you might think otherwise, but whenever this shall occur you may rest assured that I will not think for one moment that you are ungrateful or unappreciative. I will be very glad to see you when you come to Queen Anne's as I would like to go over all matters and talk about plans for the future.

With kindest regards, I am

Very truly yours,

Edwin H. Brown, Jr.
