Dear Sir

Yours of the 14th rec^d would it be asking to much of you to let the balance of Bill remain for a short time as money with us just now is exceedingly tight, it would be an accomadation to us if you could do so, McDaniel was unable to get down to the sales, did you have a good sale & did you sell all, have you heard anything that would be of benefit to us regarding Resden Declin's & E. Hattus jr, can you give us the name of a good Esquire at Conoverville, Truly Yours
