Dear Sir:-

Enclosed please find my check for \$450 for fifteen days keep of mare in Dec 1894. I hope this will be satisfactory to you as I am paying you for three days longer than you kept her. I did not intend to sell the mare but I have more horses than I want to keep + she seemed to be the only one I could dispose of + thought it best to let her go while I have a purchaser -

Very Truly
Geo F Nickerson
