

Just driving back & Purdie -
I feel in love with Purdie's
track, think if ~~actor~~ you had
actor Russell there he would
step it nicely - Presume the
same has prevented your driving
any this week, let me know
when he does anything nice -
I am anxious to get him up
to the \$1000 - mark soon as
possible and sell him - You
know I have another one same
breed coming along -

Yours Truly
