

her on grain, that you would have to
charge me for her board. if you charge
your memory I think you will find
that I am correct; I owe you a bill
~~for her board \$85.00 + some cents for~~
her board last year. it is impossible
for me to get to Mr. Brooks to-night but
if you leave a corrected bill with
him, I will be there Friday night &
settle with him, or send you check
for full amount, whichever you
desire. Hoping to hear from you

I remain yours Respectfully
D.S. Wingrove.
