Mr. E. B. Emery
Cincinnati, Md.

Dear Sir,
Your favor of the 8th inst. enclosing Mr. N. B. Emery's note for \$50.00 duly received. It is being placed to your credit as payment on filly. Dalzell was paid in due time. Hope you accept our thanks.

We have with send bill of sale of filly, with payments endorsed, with dates when made. If we have made no mistake you now owe us but \$12.50

Your mare and Colt are doing well. Your has a good colt and the mare seems to be suckling well for my age. She was born by Potage on June 8, and has not yet shown signs of coming in season again. We think she is with foal. The swelling of her in our last letter caused by frostiness has entirely disappeared, and was not at all serious.
