Your letter
recd. - I have come to the con-
clusion not to breed my mare
to Haffey Russell this season -
altho - I would like so much
to have a progeny from them.
My Mare is very highly bred
in the Trotting blood - but
she is a strange mare & very
unreliable as a brood mare
she is now 13 years old, and
I have been breeding her for
the past 7 years and have but
one colt from her - I therefore
think I had better not risk
