Lancaster, Pa., 1890.

3 yrs old by El Champion son
of Scobys Champion rather
small but very clean and
gamey and good gaited.
(not standard) and a two
year old by Lou son of
Belmont large growthy and
Standard bred -

Now I want to get
a good colt from "Reese's"
and would like your advice
as to which one to breed
to him - I understand that
Hafrey Bee 2nd dam was
by Morgan Bk Horse - and
thought my mare by him
or his filly (3 yrs old) might
mix with him -

The foalig mare would
most likely throw a foal
but I think it would be
a good one I think two years
