

I have great
 an hard to get in foal and
 had not expected on
 that account to have the
 some fully - though she is by enough
 You can book me for
 a mare - and if you will
 be kind enough to drop
 me a line when convenient
 and advise me what Russell's
 disposition is high strong
 or the reverse, also what
 mare you would prefer.
 also whether you would object
 to my shipping to Dover
 I will then decide
 which one to send and will
 send you a formal contract
 if you decide it

in hand to get in food and
 had not expected on
 that account to have the
 some fish - though she is by enough
 You can look me for
 a man - and if you will
 be kind enough to drop
 me a line when convenient
 and advise me what Russell's
 disposition is high strong
 or the reverse, also what
 more you would prefer -
 also whether you would object
 to my shipping to Dover
 I will then decide
 what me to send and will
 send you a formal contract
 if you desire it

I think I can get
you another man or two
from Wilmington and we
try to see the faster this
month. They are standard men.
Trusting that I am not
troubling you too much.

I am yours very truly
