Mr E. B. Emory

My Dear Sir I have your favor
of this date together with recommendation
for appointment. I return thanks
for the latter as well as for your
kind words. In regard to Victor
would say that I have a party
at Denton that I am almost
sure will buy the horse or
at any rate advance some
money on him. He writes me
today that he will drive over
and see you the first warm
day. I hope Mr Harper will
wait awhile longer and give
me this chance to get out of
this trouble, will you kindly
advise him of the situation
