F. G. Stemmer,

Packer of Canned Fruits and Vegetables.

Marydel, Md., 189

will not accept any
offer (even \$800. or \$1000.) as
neither of them are for sale.

They are both gaited so
nicely & show such promise
I want to keep them and
develop them. I want
to treat Happy Ladys Yearling
Record next 4th July on
your track.

I also want to breed a
mare (Fly probably) to Electric Medium
next spring & hope you will
treat me liberally.

Yours Truly

F. G. Stemmer
