Dear Sir

Will you please send
me the address of the party that you
told me had a horse that he would
deal for Lyons. I have mislaid the
name and address. And if you see
him ask him if he would make such
an exchange. Providing I like the horse
when I see him. would not deal for
him unless I liked him after I rode
after him. Think I will send the
mare pretty soon. how far are you
from Elkton Md. My mare is only
4 miles from there. Yours Truly
Silas Wright
