My dear Sir, Mr. Julius
Black of Riverton Va is on a deal with me
for Property worth 1200⁰⁰ and wants to give
a note for 9 months for a part or the
whole amt. He brings a stranger to
me I have asked him to give refer-
ence. He has refused me to sign as
to his responsibility. Please state his
Estimated worth in Property Personal &
Real and his supposed Liabilities. He
be prompt in the payment of his notes
which is sometimes more important
in business transactions than the ownership
of property. For we don't care to do business with
people who will require us to make the money out
of them.

Yours very Respc
