Dear Sir,

I shipped you yesterday the two mares as proposed. I concluded to send the old Black Hawk mare - as the fancy mare was rather heavy for a foal to ship, and he would like very much to get a Quashee filly from this old mare - and think she ought to breed as she has bred two years in succession - since you had her before. She was supposed to be in foal to a Jack Aug 3 from 18th but I do not think now she can be and you need not
