

have some means to get
it out of her she don't sell
because she is give out that
is not the case it is her
nasty Disposition Now remember
if you should get behind
don't you resort to your
whip to strong for while
there is life there is hopes &
next beat she might do them
all up & if you were to use
the whip the former beat
she would be no earthly-
good the Bal of the Race
Please let me hear from you
