I or 4 hundred with you and now over
stocked, with nothing to drive and
if I make this trade with you I
will only be at less expense but
just as bad off for a driver, then
I have to put more money in
horses which I don't want to do
and should I be compelled to
do this I should certainly not
put \$225.00 in any horse for
an ordinary road horse and
then Mr. Skinner would have
his horse left on his hands which
he says he has no use for, whereas
if he trades he will have something
to drive as good as he has, and
something running in the field
growing into money, He would
come here & see the man and
ask or I refer him to two others,
Read this carefully and then have
a talk & try to help me get
