

mad to keep these
Italians straight,
such rogues they
are. One cannot
even sleep at
night, for fear
they will steal
all the coffee
lying on the lands
along right side.
Mukha has 13 families
of these people,
living in low-madness.
The coffee harvest is
now in progress &
lasts 3 or 4 months.
It just has to be

that we are to be
benefited by the
success, also.
As we shall expect
the promised visit
from you, all and
while you are joining
here you are to purchase
a plantation near
by & remain to make
your fortune. Now
delightful this would
be I should like
nothing better.
I should like to
see you on a
plantation except
that it arises one
