

This seems delightful
about it but it
was all right after
he started. I want
to send the boys some
star sheets & write
to them soon also
to Etta. Very much
love to Mrs. Perry I
thought she should
write to you before
this - Will ~~my~~
Mary return? I heard
from Ella in a few
days ago & she said
you & Etta had been
down lately, hoping
to hear from you all
again soon. Love you
much to all. Very sincerely
Hannah Wright
