My dear Sir:
I have been intending to write to you for
some time to congratulate you on your success with
Happy Russell and his qt. - I am truly glad to hear of it
and hope he may be worth a million to you.
I have a mare, that I am thinking of breeding to him
next season - and write to know what the chance
and price will be. She is a gray mare and H. P. James had
her in Baltimore - she is full of vim & spirit and has trotted
in 2:34. See no grey on other side. Let me hear from
you. Truly
Orris A. Browne
