Parkersburg  
Dear Sir,

I feel you mean  
well. Col. by name (Mr. Waters)  
had us by your telegram in  
time would have been from  
the morning but had some  
our arrangements to send this  
of you as per your letter.

We would have been glad to  
have seen you at our place  
if you could have been arranged  
you mean have been perfect in  
appearance while you are  
in like has very much to  
call while not large to believe  
will be a folly if you are operating

Yours truly,  
Henderson Bros.
