(FREDERICK CO.)

My Dear Mr Emory,

I received your postal with list of studs for 1892. I have a man that I would send, in the spring, for you to speed, provided I could arrange so she would be bred to Happy George.

I wish you would send me the name of your old's boy if you have no objections I would like to send him a paper commencing the first of January. I have taken a particular fancy to that boy of yours I hope you will not take no offence, at my request, by granting my favor I remain.

Yours Truly  
George Houck
