

all together, at least this
I must see before I spend
any more money on her
It would be quite the thing
to give her a receipt but
to go on with her and then
not do it this would be worse
than any thing else possible that she
is head gives an expense what
ever is done with her
And there will be no better
time to having her leave than
now & this is the thing to
do & well how if least we
see she comes
