You will find enclosed  
 check for 400  
 I wish you would put  
 my mare and colt on  
 steamer Monday and  
 I will have men to take  
 them off. If you think it  
 is too early to ship without  
 blankets and blanket them  
 I will return them at once  
 at my expense -  
 I presume Lucille will  
 be reluctant to leave  
 your place no doubt  
 she has received good  
 treatment at your hands -  
 You did not state if she is  
 with foal again? My best  
 regards
