Mr. E. B. Emory

Dear Sir

I enclose pedigree of Banning father of the name Septetown of. Let me know what you can do in Trade.

My man Harry says that my diving blanket was sent down to your place on Row so the blanket you showed me at Kents buy Purd was probably mine at least mine

was a blanket just like that but I had no idea until I began to dive that it had been sent as it cost me something between five & seven dollars I would trouble you to send it up

If you will send me I will fix up with you Row is OK I think & giving nicely

Very truly
yours

B. Holly Smith
