My dear Sir:

Your letter containing  
the call's Reg No. was duly received for  
which please accept my thanks.

I was glad to hear of your good  
fortune in winning with May Bee  
and Bedworth.

I expected to hear of Happy George  
starting at Puenico and saw the en-  
try but did not see that he had start-  
ed. I wanted very much to come  
out there and see you and the horses,  
but could not do so, without cutting  
lectures that I could not afford to  
miss.
