Mr E. B. Emory

Dear Sir

I had the pleasure
this evening of a visit to
your farm and by the
kindness of your man had
a look at your stock, and
feel like making you a propo-
sition to trade my man
for either the filly by Happy
Russell Dam by Avermore or
the filly in some stall with this
one Dam by the horse you used to
own I think they called him Cyclops
or some such a name, and will
then give you \$250.00 for every colt
you get from this man of mine
