by Happy Russell when
they are weaned, or I would
breed the the man on the
shares you give me the 1st & 3rd
culls from the man after that
time the man to be owned by
you, But would prefer to trade
for one of these fillies and buy the
produce of the man when they
are weaned, If you are looking
for well bred brood mares
think this one should suit
you as she is about as fashionable
for brood purposes as any thing
you can find. She is Standard bred
