Dear Sir

I have a 7 year old mare  
by administrator, first-dam woods=  
Hannetonian registered & Standard=  
and has just weaned a Colt=  
and a trotter but she does not suit  
me for a driver on account of too  
much life but for track use I  
think would be a good one and  
is a first class brood mare. If you  
have a good two or a three year  
old that would turn out to make  
something that would run to  
go along pretty good maby you  
could deal me for her she is just  
what a breeder wants. let me hear  
from you soon, and if you have any  
thing ~~to~~ think of dealing come and
