Dear Sir:

Your favor of the first to hand. Return you bill to have same corrected. I have your letter of Nov. 24th, 91 before me, in which you write "The keep will be \$8.00 per month, grain and hay, November 15th to April 15th. April 15th to November 15th grass \$4.00 per month." Please send me corrected bill as above according to your agreement. Make the bill out to Irvin Thomas Smith, and I will forward it to him to Paris with your letter.

Yours truly,
