Easton, Md, Aug 27 1895-

My dear Md
 I am very sorry that I could not get over to spend Sunday had an attack of cramp that kept on its end all of that day. I am still in Easton working hours & drying the sidy plowds. Hope you get good prices for your horses I tried to arrange it to get up to your sale but it was Saturday & I had to be at the store. I will drop over to see you the very first opportunity
 Your friend
 J. M. Morgan
