Dear Sir

Yours to hand.

The dam of Victor Russell  
is same age as Happy Russell  
Viz foaled 1884 - Pedigree  
established and registered as  
New Standard Vol 11, I think  
she ought to be bred to Russell  
every year for next 4 or 5 yrs  
and she will be one of the  
great brood mares, her yearling  
son is a natural flyer it  
is a sight to see him stick  
his tail out and trot like  
an old campaigner - If you  
can mark Victor in '25 she  
will be promoted to the Standard  
list. she is absolutely sound
