Mr. Edward B. Emory,

Centreville, Md.

Dear Sir:-

I telephoned Mr. Cromwell this morning as regards our  
colt, and he told me to write you. Now will you kindly inform me  
what you think of the colt, as I am really tired of spending money  
on him. If he is of no account I want to have him put under  
the hammer. Your honest opinion as regards him is what I request.

Awaiting an immediate reply, remain,

Yours truly, \*

*Arthur Emory*
