

as good a thing out of it as you can,  
So suppose you write me a letter  
saying you will keep it this winter  
for \$15.00 a month. I think Pete will  
give that. I cannot tell what day I  
will be down, and I am not real  
sure that I can get down at all  
for it may be that I can only have  
a week off.

Please write by return mail so the  
letter will get here before I leave for  
home.

I have been sick for a couple of  
days, but am getting a little better  
now. Was overworked a little during  
the holidays.

With best wishes  
David Lee
