Dear Sir
Mr Cole told me he
saw you and you
said ~~to~~ you would bring
up your horses to trot
for a price of \$1000 to
pay expenses - we do not
propose to offer any money this
time - but will pay all your
expenses while in Smyrna
for as many horses as you are
willing to show - we would
like you to bring Hopper George
at least - as Mr Finck
is very anxious to meet you
now let us know on Tuesday

and truly yours
