

to a little Tea Party. I
met a young man who
had been at the Hopkins
Hospital last Winter - &
Clara had been one of
his nurses. So you can
imagine what a com-
monplace topic we put
upon. He seemed very
much taken with her.
Willie Jones has been with
us awhile & we have
had some very pretty times
together. But alas! he
has to leave for home this
evening - I was sorry to
see by the sign that a
horse had been ^{killed} at Poplar
Grove. The recent storms
seem to have done great
damage all over the
Country. There was a tree
