

give me your advise on
it also must I use her
on turn her out or keep
her standing in stable all
the time, if you get this
in time please answer
it by tomorrow's mail and
you will oblige me greatly

do you think
this curb can
be taken off
it will not show
it is not very
large yet both
very ~~some~~ can
hard bare might
enough on it to
get around in
stall
