Write to Mr. Emerson who is
a neighbor of mine and I
think you will get a name
from him, he has a No. 1, name
and may get some more followers.
I have the rheumatism right
badly in my hand & foot, nothing
would give me more pleasure
than to be on hand on the 26th,
but I don't see how it is possible
for me to do so.

Mr. Phillips has been in several
times, I showed him your letter
said nothing. I think it advisable
not to bother him too much.

Enclosed find Emersons address
Emerson Drug Co.

205 E. Fayette St.

Respectfully Yours
