Dear Sir

I presume Jim Hall and Victor have arrived at Poplar Grove all O.K. Soon as you find it convenient I will be obliged if you send cart to Centerville and have it shipped to Cokes Sta and I can call there for it - also send me blanket & harness if you do not need them, we are short of blankets &c over here and too poor to buy a stock of them.

If Victor's ankles will stand speeding I think you will feel 5 years younger when you get up
