GEO. E. HARRISON & SON,

Crumpton, Md., Nov 30th 1893

Mr Emory

Dear Sir

I Sent the bearer
to bring the Colt home - I Suppose
you Can form some idea as to whether
she promises any speed - if you think
she does I will send her down
in the spring - if not I will I
will keep her for a carrying mare
for my own use.

Yours Respectfully
Geo E Harrison
