Mr E. B. Emory
Dear Sir

If you think there
is no danger of mae coming again
in season. I will bring her home
next week. Would you have any objection
to send her say 20 or 25 miles. to some point
on the rail Road where my man could
meet her) and leave her remain at that
point all night. If you can do this
let me know the name of station. where
she would be left and what day
you could send her. I thought would
like to get her home before the weather &
roads got bad. I am going to bring
her to West Chester. If you can send
her part way you will confer me a
great favor. Awaiting an early reply
I remain

Yours Truly Silas Wright
