Dear Sir,

Yours of Aug. "20" at hand
and contents noted, and regret
it was so we could not
have our race sooner, and
am sorry you have arranged
to go to Timonium, as we have
been depending on you and
your horse, and if any thing
should happen so as to prevent
you going to Timonium
we will expect you down
by and come any way.

Very truly
Yours,
J. Delahay
Secy.
